PUNTA BLANCA GOLF COURSE

An incredible value in our all-inclusive program, Punta Blanca Golf Course was designed by the renowned Nick Price is located just 200 yards from the main entrances of our hotels. Players will be challenged at this 18-hole course, where each hole has a unique style with undulating fairways, bunkers, and lakes presenting a new adventure with each stroke.

This offer is valid for guests staying a minimum of five (5) nights. Golf is not transferable and is for individual play only, not tournaments or group play. Valid all year. Previous golf experience and knowledge are necessary. You will be required to follow traditional established course etiquette. The golf course is available but under maintenance during July and August each year.

For reservations please contact your favorite travel agent. Visit majesticresorts.com for more information.
